**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a customer of a local internet provider. I want to continue to work with this provider at a reasonable rate.

As a consumer, I naturally want competition among providers because that keeps the price of internet as affordable as possible for me. If you pass rules that benefit the bigger company, the costs will go up and possibly drive the competition out of business. I dont want to see a monopoly and no choice in my internet provider.
